The reports of the treasurer and the finance board indicated a fa-vorable condition of the treasury. A commission, which is making a study of the religious organizations of the campus, headed by the Rev. M. N. Waldrip, made its report.

The next meeting of the board will be held during the latter part of this month. Election of officers of the board and the adoption of a budget for next year will be the main items of business. The following were appointed to prepare nominations of officers for next year: Dean F. F. Stephens, the Rev. John M. Alexander, Dr. W. A. Albrecht, Thelma LeMaster, and Richard

Another committee, consisting of the Rev. Luther W. Smith. Grace Morgan, and Graenum Berger, was appointed to interpret the clause in the constitution in regard to repre-sentation of member organizations

T. A. RESTROOM MEXICO BORDER Committee Expects to PATROL BACKED BY U.S. TROOPS

Renewed Gas Attack Expected by Federals at Naco

LOANS FORCED BY REBELS

Every Precaution to Protect American Lives Has Been Taken

(By United Press) Heaviest concentration of United States troops on the Mexican border since the Pershing Punitive Expedition into Mexico in 1916, following the Villa raids on Columbus, N. M., was under way today. When completed, 7500 American soldiers will be scattered along the border

from Nogales, Ariz., to Laredo, Tex.
Three batteries of the 82nd field artillery, under command of Maj.
A. L. P. Sands, numbering 450 men. and the second squadron of the 7th Cavalry, under command of Col. William M. Connell, left Fort Bliss, outside El Paso, Tex., today for Hachita, New Mexico.

Simultaneously, the entire first infantry regiment was entraining at Fort D. A. Russell, Wyo., for Bisbee,

Ariz. The Ft. Bliss troops will march overland to Hachita, completing the

trip in six days. The distance is 117 miles. The 7th cavalry squadron will join the 1st squadron of the same regiment which went to Hachita sev-

eral days ago.
In addition to these units, a troop of 8th cavalry, under command of Cap. A. J. Wynne, is stationed at Columbus, N. M.

(By United Press) Additional American troops were sent to the Mexican border from Ft. Bliss and Ft. D. A. Russell today as a precautionary measure to pro-tect American lives and property in the event of renewed fighting at

the border.

These troops, made up of infantry, calvary and field artillery, will reinforce the border patrol already on duty. They were under orders from Maj.-Gen. William Lassiter.

federals said they expected a gas the charge of Mrs. Sappington.

know the road to Jericho. It's in a part of town That's full of factories and filth.

Small folk with roses in their cheeks And star-light in their eyes, And seen them fall among the thieves.

And heard their helpless cries.

The while, in motor cars

-Edwin McNeill Poteat, Jr. at the school building.

For Columbia and vicinity: Fair, cooler tonight with frost; heavy in open and low places; air temperature about 36. Friday fair, slightly warm-

For Missouri: Fair tonight and Friday; cooler east portion; light to heavy frost tonight; slightly warmer

Weather conditions: Unsettled, rainy weather covers all the country from the Mississippi Valley to the Atlantic seaboard and from the Gult Student & of the University of Ok-lahoma o parate a 250-barrel oil refin-ery as 1: aboratory work.

Coast to the Great Lakes. The cen-ter of low pressure was in eastern lowa early this morning going north-east. Clear, cool weather is follow east. Clear, cool weather is following closely, reaching the western Missouri border this morning. The
